Travellers' Bungalow at Devanahalli.

In forwarding herewith a copy of letter No. 2332 dated 28th May 1943 from the Executive Engineer, Bangalore Division, to the Superintending Engineer, Mysore Circle, reporting that the Travellers' Bungalow at Devanahalli has been occupied by certain Military officers, consequently that it is not available to the public; that the Military officers claim exemption from payment of rent and that they intend occupying it until further notice, I have the honour to state that it is not known whether the Military Authorities have obtained permission from Government for occupying the Travellers' Bungalow under the above conditions. Much inconvenience would be felt by the touring officers and the public if the Travellers' Bungalow is thus to be continuously occupied by the Military authorities.

2. I request that orders of Government in the matter of the Military Authorities occupying the Travellers' Bungalow continuously until further notice and also in regard to exempting them from payment of rent may kindly be obtained and communicated.

It is seen that the Military Officers (Defence Dept, Govt of India) were in occupation of the above T.B. since 8th May 1942. The bungalow is not available to the public. There are no papers to show in the PW branch, whether the Military have been permitted to occupy the bungalow free of charges, either temporarily or permanently. The Chief Secy may perhaps be consulted in the matter.

Sir,

I have the honor to forward herewith the copy of D.O. letter No.F.C.20/43 dated 15th instant received from the Sub Division Officer, Hoskotballapur Sub Division, together with the copy of its enclosure and to state that according to G.O.N..2109-21/C.B.60-42 dated 18th October 42 it is reported that the Travellers' Bungalows are being used by the Military or Police at the places of camp without payment of rent and without any restrictions regarding the maximum number of days of halt. Since the entire building at Devanhally is completely occupied by the Military people continuously, the officers who go there are put to lot of inconvenience.
